

2023 Golf Rules and Regulations

Daily Play Schedule – Tee times will be available to every member Tuesday through Sunday. Certain days will have times blocked that will be used for events such as Ladies Day, outside parties, guest days, etc. For more information on days that have restrictions, please call the Pro Shop.

Junior Golfers ages 15 and younger, if a parent is a Golf Member:

They play complimentary on the course and/or driving range and must be with one of their parents who is a Golf member. They may play weekdays and weekends, after 2 PM.
Any person who is not 16 years of age cannot drive a golf cart.

Junior Golfers ages 16 – 22, if a parent is a Golf Member:

Option A: Dependents this age can be added onto their parent's golf membership for a designated membership fee cost as a Golf Dependent. They have the same golf privileges as their golfing parent. Contact Membership for cost information.

Option B: Dependents this age who are NOT added onto their parent's golf membership as a golf dependent can play the golf course and/or use the driving range as a guest 2 times per month, plus a guest fee, cart fee and/or walking fee.

Any Junior or Adult who does not have a Drivers License or a valid I.D. cannot drive a golf cart.

Walking Policy – Walking is permitted at any time with the following trail fees: 9 Holes: \$12.00, 18 Holes: \$20.00

Pull Cart Policy – Pull carts may be used at any time with the following fees: 9 Holes: \$12.00, 18 Holes: \$20.00

Pull Cart Storage Fee: \$100 per year.

Cart Fees – All members and guests are required to pay cart fees.
Cart Fees are charged per person. For example, if two people ride in one cart, two cart fees shall apply.
Club Carts: \$21 for 9-holes. \$35.50 for 18-holes.

Starting Times – For Equity Full Golf, Non-Equity Full Golf, and Young Executive Golf: Tee times can be made 7-days in advance for weekday play. The weekend tee times can be booked starting at 9 AM on Monday morning for the upcoming weekend.

For Limited Golf: Tee times can be made 4-days in advance, and play or range use is after 11 AM.

Pace of Play – In order to make golf more enjoyable for everyone and maintain a better pace of play, we ask that everyone plays "Ready Golf." Be ready to hit your shot when it is safe to play. We anticipate an increase in play this upcoming season and if we follow rules of "Ready Golf", we should be able to have enjoyable rounds of golf. We would like to complete our early rounds on Saturday, Sunday and Holidays in 3 ½ hours and later rounds on those days in no more than 4 hours. A ranger will be on the golf course at different times. The ranger is on the course to monitor the pace of play and not to be a ball spotter. His suggestions should be followed by your group.

Snack Shack – In order to avoid any issues with food service at the shack, all food must be ordered on the phone at the 7th tee. This will ensure your order will be ready for you after completing #7. Please hit your tee shots on #8 after picking up your food and drinks so we can avoid any backups at the shack. If your group stops and eats at the Snack Shack, you must let one group play through. After one group, you must go to the tee immediately and tee off.

Handicaps & Score Posting – All 9 and 18 hole scores must be posted for handicap purposes after the completion of your round. Scores will be accepted by the Pro Shop or scores may be posted on the GHIN APP. Failure to post scores will be reviewed by the Handicap Committee and penalty scores will be posted. This penalty score would be the lowest score in your last 20 scores posted.

- For holes started but not completed, the player should record the most likely score they would have had on that hole.
- The maximum score to be posted for a hole is a net double bogey.
- For holes not completed in a round due to darkness, injury, or hole under construction, the player should record a score of par plus any handicap strokes that they may receive on those holes.

Golf Guest Rules: **Tuesday-Friday:** Guests permitted at any time.

Saturday/Sunday/Holidays: One guest per member permitted before 11 a.m.

Out of town guests are permitted at any time.

The same guest is permitted to play a collective of twice per month on the course and driving range, plus guest fee and cart/walking fee. Social & Emeritus members will follow all golf guest rules; a collective of two times per month per account, plus guest fee and cart/walking fee. Junior guests ages 15 and younger must play after 2 PM with a golf member parent.

Golf Course Etiquette – We ask that everyone show consideration for other players on the course.

- For safety issues, you should not hit a shot until you feel the group in front of you is out of range. If a shot is wayward, remember to shout the warning “Fore.”
- Play at a good pace.
- Please take good care of the golf course.

Dress Code – The dress code will be enforced for all members and guests, and it is included in this package of information.

Cell Phones – Use of cell phones on the golf course and at the practice facilities is strongly discouraged. Please use these devices judiciously and please be courteous of others.

All guest fees, cart fees and walking fees are the same for all members and apply to all memberships.

The Golf Season is classified as April 1st – November 13th.

The driving range and short-game areas open on April 1st (weather dependent) and close on November 1st each year.
